Rosario's History

Rosario's Italian Restaurant has been in the Rogue Valley since 1979. It was originally started as a small Italian deli in this very same location by the Bonfiglio family. It is considered one of the oldest Italian Restaurants in Southern Oregon.

Laura and Michael Hogan became the owners in 2001. Laura is from Milano (Italy) and Michael was born in Southern California, but lived most of his life in the Applegate Valley. They moved back to the Rogue Valley to be closer to Mike's family and to raise their children.

Rosario's features a variety of dishes maintaining the closest version of the ancient genuine Italian culinary traditions. The food of Italy is as remarkably varied as the many different regions of the country, shaped and influenced as they are by geography, climate and history. The Pesto and Carbonara pasta dishes are from the Northern regions, you can travel to the Coastal regions with our seafood dishes. The Lazio region appears in our Alfredo (Pasta alla Crema o Panna) dishes, so popular and sooo good! The Southern region is emulated by our rich aromatic red sauces. Or you can try a Pizza from our wood-fired oven.

Living and shopping in Southern Oregon we authoritatively maintain flavors, traditions and authentic Italian eating habits making the most of our local markets.

We love to cook and we love to eat! As Laura's Uncle says,
"Chi mangia bene, vive bene" ("Who eats well, lives well")
